Ramalatha M. (Past WIE Chair)

Biodata: Ramalatha Marimuthu has been teaching for nearly thirty years and is currently with Kumaraguru College of Technology, Coimbatore, India. She is known for guiding and mentoring the students in developing unique solutions for social problems, like special needs and women empowerment. She is a great orator and has delivered lectures on her research area "Assistive Technology" in universities and research organisations all over the world.

She chaired the IEEE Women in Engineering Committee in 2011 and 2012 and Region 10 WIE in 2008 - 2010. She has received many awards, a few of which include IEEE MGA Achievement Award, IEEE MGA Leadership Award, Lions Club Life Time Achiever Award, Tamilnadu Government's Mentor Award and Change Agent Award by Anita Borg Institute for Women and Technology. She won the Systems Pass it on Award 2014 for connecting women passionate for second careers through a forum, "Returning Mothers." This year she won the Inspiring Member of the Year Award from IEEE Women in Engineering.
